Friday 1st May

- *Stories in the Dark* performance,
Years 7-9 play

CCS NEWSLETTER

25 March 2009

Volume 4.3.8

From the Principal's Desk

Dear Parents and Friends

There are many tired, but very happy Year 4 pupils at school today as they had a sleepover at school last night. After going home for a quick break after school yesterday, pupils and staff returned to school by 6pm for a sausage sizzle dinner, some special activities and a night camping under the stars in tents. On behalf of the pupils and the school, I thank Ms Tucker, Mr Clark, Ms Lintang and Ms Ria for giving the extra time to make this such a valuable experience for the Year 4s. I am sure they will enjoy the extra Nyepi rest tomorrow!

Year 2 travelled to Sanur yesterday as part of their study into the physical and human characteristics of the seaside. Pupils had to observe the environment and do some sketches, and they then had to locate features and place them on a map. ICT is integrated into this work as pupils will look at other seaside locations via the Internet and they will be making PowerPoint presentations which will include some of the photographs they took during the day.

The annual House Cross Country races will be held for pupils from Years 3 to 9 next Tuesday afternoon, from 3pm to 4:30pm. Parents are invited to come along and support runners. Pupils wear their normal uniform to school and change into their House uniform after lessons have finished for the day. Pre-school to Year 2 pupils finish school at the normal time.

Pupils in Years 7 to 9 have been working hard in preparation for the play *Stories in the Dark* which will be performed early in Term 4. This included a Saturday workshop for the lead characters recently. There is more information about the play in this newsletter; please enter one of the dates into your diary now and come along to support our pupils.

People around the world are being asked to join Earth Hour 2009 this upcoming Saturday March 28. For one hour, from 8:30pm local time, people are being asked turn off all lights 'as part of the world's first global election between Earth and global warming'. Further information is available from the following websites (www.earthhour.org or www.panda.org). Please consider joining in.

I hope that you enjoy the unique experience of Nyepi tomorrow and I look forward to seeing all pupils back at school on Monday for the final week of Term 3.

With best wishes
Ian Ward
Principal

Stories in the Dark
by Debra Oswald

Canggu Community School
Years 7 to 9 Drama Production

7:30 pm Thursday 30 April & Friday 1 May 2009
Multi Function Hall

Public are invited to attend.
For bookings and enquiries, please ring (0361) 844 6391

A boy lurches up from a pile of junk.

A girl tells stories.

A ferryman is cursed.

A silver feather is plucked.

Messages are left.

People wait.

The party lights dim.

Friendships are made.

Night. A once-grand city house, battered by mortar shells. There are a few bits of furniture half buried by rubble. Enter Anna and her brother Marcus, two older children who are using the building as shelter. They bring with them an old car battery and some party lights. Tomas and Ricky, two frightened younger boys lurch up from behind a pile of junk, making Anna yell out with fright. And so begins the play of *Stories in the Dark*.

Term 4, Week 2 - Please come and support all of the Years 7 to 9 pupils who have been working so hard to bring you a first class drama production!
